

Youth Empowerment Gala

March 14th, 2020 | Tuscany Falls | Mokena, IL

To Whom This May Concern,

My name is Ryan Hesslau and I am the Founder of the 501(c)(3) youth development organization, ForeverU. ForeverU is empowering youth to overcome adversity by offering personal development camps, retreats, and after-school programs that equip them to face life's greatest challenges and obstacles.

For those who are not aware, I started ForeverU while attending Lincoln-Way East High School, with the hope that I could grow this organization into something that could make a significant impact in the lives of local youth.

As we begin enhancing our fundraising efforts to assist with furthering our impact locally by opening our first Community Empowerment Center in the later part of 2020, we will be hosting our 2nd Annual Youth Empowerment Gala on March 14th at Tuscany Falls in Mokena, IL. All proceeds raised from this event will help our organization stay on track as we dream bigger about taking our mission to a new level.

We are currently looking for local businesses to participate in this community fundraiser as an event sponsor. If this is something you are interested in, please review the sponsorship opportunities we have available and complete the attached application.

If you have any questions for me personally or would like to setup an in-person meeting to learn more about our mission, you can email at ryan@foreverumovement.org. Thank you in advance for your consideration in supporting our work and joining us as an event sponsor at our 2nd Annual Youth Empowerment Gala on March 14th.

Stay Awesome,

Ryan Hesslau

Founder | President & Executive Director
